## Products

**Seamless & Welded Pipes**  
**Grooved Pipe Fittings**  
**Butt-Welded Fittings**   
**Forged Fittings**  
**Branch Fittings**  
**Flanges**  
**Fastners & Gaskets**

**Sprinkler Fittings and Flexible Hoses**  
**HVAC, Plumbing and Fire Protection Valves**

## Material

Carbon Steel, Mild Steel  
Galvanised Iron  
Stainless Steel.

## Partners

# Mechanical Division

Representing renowned global partners for various electromechanical products for building sector (HVAC, MEP, Fire) and infrastructure sector comprising of water & waste water pumping stations, treatment plants, pipelines, road, rail, port, dewatering & stadium projects. We have dedicated technical team for commissioning and after sales service. We also undertake HDPE welding works.

## Products

### INFRASTRUCTURE SECTOR

**Pumps** – Water/Waste Water/  
Fire /Dewatering/  
Power/ Industrial

### Valves, Penstocks & Actuators

### Surge Vessels

**Tertiary Filters** – Sand / Disc

### UF Membranes

### Inlet Screens

**Electro Chlorination / Ozone Packages**

### Diesel Generator Sets

**FA, Coupling, Dismantling Joints**

### HDPE Pipe Welding

### Manhole Covers, Gratings

**Polymer Concrete Channel Drain with DI | GI | SS Gratings**

### DI Pipes & Fittings

**Pre Insulated Pipes**  
**Louvers**

### BUILDING SECTOR

**Pumps** – Chilled Water/  
Fire / Plumbing

### Plate Heat Exchangers

### Expansion Tanks

### Air Separators

### Water Heaters

### Sectional Water Tanks

## Partners

# Insulation Division

We offer the widest range of premium insulation products for thermal, acoustic & fire rated applications produced by world renowned companies from global locations. The types of insulations including Elastomeric, Glasswool & Rockwool offered by us are in compliance to local and international specifications. Products meet global health, safety & emission guidelines under LEED (IEQ) are approved as safe by authorities for indoor/outdoor use.
